The "Stan Cup"
1999

The "Stan Cup" 2009

This site was made by: Jason Hudicky
Maintained by: David R. Adams
History of the WCMBC Hockey Games

The inaugural hockey game took place at the Steamboat Springs Arena at midnight on January 26, 1999. It was conceived and organized by Tomas Hudlicky. Originally the format was modeled on the traditional "academic - industrial" softball games made popular at the Natural Products Gordon Conference. The concept was most enthusiastically supported by Mike Rafferty and Vic Snieckus, two of the organizers of the conference. There were only two academicians (T. Hudlicky and V. Snieckus) in the inaugural game played at midnight after a full day of skiing. The game proceeded with rented goalies, referee Stacey Foster (the manager of the local arena), and with two subs on each team. The "industrials" won 6:4 chiefly because of the efforts of Phil Wickens, an outstanding player.

Following the game, the charter of future games was put together, jerseys made (courtesy of Mike Rafferty), and a proposal for a trophy, the "Stan Cup" put forth by Stan Chamberlain, the captain of the "industrial" team, since then the S-Team (white). The captain of the "academic" team, since then the R-Team (blue), became Jason Hudlicky, age 10, by quiet acquiescence of the players present. The "academic-industrial" distinction has been abolished since 2001, as both teams have representations from both domains.

In 2013 a decision was made (with the blessing of Mike Rafferty, one of the original supporters and promoters of the games) to expand the hockey series and include the Latest Trends in Organic Synthesis Symposia (LTOS) that are scheduled in even years in St. Catharines, Ontario. Beginning in 2014 there will be LTOS games in even years and WCMBC games in odd years (See the First Amendment to the Covenant for details). The top plate of the Cup was adjusted to reflect this merger of venues (see the Covenant for the inscriptions).
The Trophy

Conceived and purchased by Stanley Chamberlain and aptly named "The Stan Cup" it was adorned with the first plaque in Gainesville, Florida in the Spring of 1999 following the inaugural game.

All subsequent engraving is courtesy of T. Hudlicky and TDC Research, Inc., as is the cost of biennial ice time, rental goalies, and referee time. TDC Research, Inc., a contract synthesis company, is a proud sponsor of the WCMBC Hockey Games.
The Covenant

1. The WCMBC hockey game shall be played during each winter conference, forever henceforth.

2. To honor the inaugural players their initial team jerseys SHOULD be worn with their names during all future games regardless of current rosters. The stats/time keeper will take the name/number discrepancy into account on the official score sheet.

3. The jerseys of the inaugural captains (S. Chamberlain and J. Hudlicky) MUST be worn during all subsequent games, regardless of current roster. A player on each team, or its current captain, will be assigned to wear the jerseys of the inaugural captains.

4. The names of participants and scores of games will be engraved on the cup base. The winning team is responsible for this service and the Cup shall be kept in the interim by one of the following persons: the captain of the winning team or a member of the organizing committee (Tomas Hudlicky or William Kinney, or their legally assigned representatives or descendants) and brought to the next game. No other person may keep possession of the Cup without authorization from the committee. Should the Hockey series ever be terminated the above-named individuals or their rightful representatives may take the possession of the Cup.

5. Additional square bases made of wood will be added after every set of four games as needed. The original cup and the original block containing the 1999, 2001, 2003, and 2005 games may never be altered.

First Amendment to the Covenant (February 2013)

A decision was made to incorporate the Latest Trends in Organic Synthesis (LTOS) symposia into the WCMBC Hockey games series. The LTOS meetings are scheduled for even years in St. Catharines, Ontario. Thus Game 9 (2014) is to be played at LTOS-16, with Game 10 at WCMBC in 2015, and so forth.

An additional top plate is added to the Cup to reflect this change.

The Rules of the Game

1. Three periods of running time, 20 minutes each, will be played.

2. The games will be strictly non-checking, no contact.

3. In case of a tie at the end of 60 minutes, 10 minutes sudden death overtime period (4 on 4) will be played.

4. In case of a tie after 70 minutes, penalty shots will decide the winner. Each team will select 5 shooters. If there is no winner, the process is repeated in sets of 5 shooters until a game-winning goal is scored.

5. International rules apply (i.e. no opposing player allowed in the crease, no-touch icing is in effect, and 2-line passes are allowed.)
